THE RAY WHITE SURFERS PARADISE GROUP
AND **SURFERS PARADISE SURF LIFE SAVING CLUB**

The Ray White Surfers Paradise Group is a Gold Coast based real estate agency and the largest franchise within the entire Ray White network. Andrew & Gregory Bell are blessed to have been able to build a successful business in one of the country's greatest cities. It is only fitting to give something back to the community that has helped them become what they are today.

For over 15 years Andrew and Gregory Bell have supported Surfers Paradise Surf Life Saving Club and are extremely proud to have raised close to \$800,000 to date through their Annual Business Luncheon and Charity Auction fundraising event.

The Ray White Surfers Paradise Group takes complete responsibility for the organisation and is committed to supporting assisting the SPSLSC in purchasing patrol equipment.

SPSLSC is responsible for carrying out a massive number of rescues performed on our beaches each year, at our famous Surfers Paradise Beach.

The club continues to face enormous financial challenges in order to purchase much needed rescue equipment for their vital beach patrols. As a result, they are in dire need of funds to continue their often heroic efforts.
